**SEPTEMBER IS  
SELF ♥ CARE  
AWARENESS  
MONTH**

Self-Care Awareness Month in September is a time to remind us that taking care of ourselves, first and foremost, is essential. Self-care is often neglected in our everyday lives. We all tend to put others' needs before our own. While getting a massage or taking a walk are beautiful examples of taking time for our well-being, self-care can be more expansive than that.

Self-care knows no boundaries. It is something that everyone, without any exclusions, can benefit from practicing on a daily basis. True self-care is not self-centered nor selfish; it is simply keeping yourself the focus of your own life. It's about paying attention to how you feel in each moment, communicating clearly, speaking up for yourself, and saying yes or no... guilt-free.

Use the month of September to make self-care a part of your daily routine—practice being good to yourself. I can be as simply as a conscious breath in the morning or as luxurious as time away from the pressures of everyday life. Find out if there are any Self-Care Month activities going on where you live and can take part in, or organize your own activities and invite others to join you. The kindness we show towards ourselves will manifest into a kinder world.
