Identifying risks around the home or improving safety standards at home and in your community protects everyone. Whether we increase first aid and emergency awareness through drills or provide water safety tips for summer recreation, we're taking steps to provide a safer neighborhood.

**Get involved!**

- Make home and home site repairs as they are needed
- Hold drills at home to help children and other family members know what to do in the event of a medical emergency or natural disaster
  - Put together a first aid kit
  - Take a CPR class
- Teach someone how to change a tire properly and safely
- Participate in community emergency preparedness events
